

# Feith ORGAN COMPETITION

2nd International Organ Competition

August 16th to 18th, 2024  
Schlosskirche Blieskastel

After the great success of the 1st International Feith Organ Competition in 2022, a new edition will follow.

In 2024, the Dr. Hans Feith and Dr. Elisabeth Feith Foundation invites young organists to the baroque town of Blieskastel to compete with others at the 2nd International Feith Organ Competition and to get to know the hospitality of the Saarland.

Under the motto "Organ music between tradition and modernity" we want to let the artistic diversity of the organ resound with works by Jehan Alain, Anton Heiller, Maurice Duruflé and Theo Brandmüller and pay tribute to the masters of their trade. We look forward to your registrations.
